

Beast Ecosystem

Whitepaper
Version 1

www.Beast-Eco.app

Beast Ecosystem

Beast Ecosystem is all in one service web3 applications. With several live products, Swap, Liquidity Pool Locker Token Generator with no code and Launchpad.

OUR FEATURE

Token Launchpad

Launchpad is powered by a smart contract that separated to Presale and Fairlaunch project.

DEX & Liquid Pool

allows users to trade BEP20 tokens, provide liquidity to the exchange and earn fees.

Liquid Locker

Locking liquidity pool with save security , trusted and lowest fee

Token Generator

Generating tokens without using coding will really help everyone and we are creating that in our ecosystem.

How We Work

Token Generate

Generating tokens without using coding will really help everyone and we are creating that in our ecosystem.

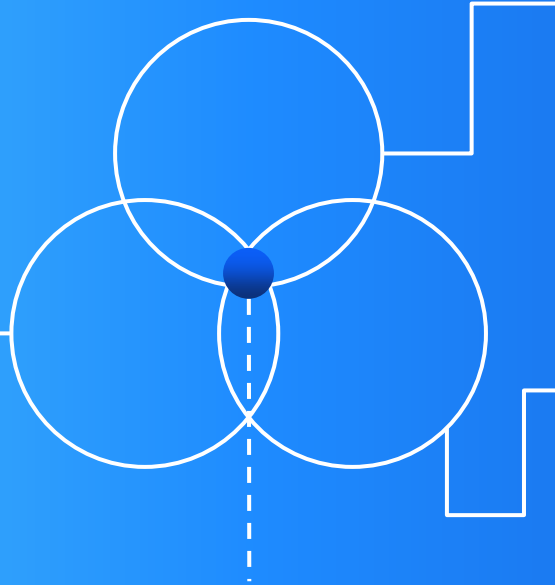

Token Launchpad

Launchpad is powered by a smart contract crowd funding model that separated to Presale and Fairlaunch project.

Token Swap

allows users to trade BEP20 tokens, provide liquidity to the exchange and earn fee
